Despite 5 players representing England this weekend (1 Kent; 2 Surrey and 2 Sussex), the U19 Tournament was another huge success with some excellent water polo being played. Surrey easily won League A but in Group B the deciding match was played between Kent and Sussex. With 1 minute to go, Kent were leading by the odd goal but two late goals from Cranford and Rooke sealed a famous victory. In the Semi Finals Surrey edged Kent and Sussex after taking a 5 goal lead against Middlesex grimly held on to reach the final.

The 5th/6th place match between Hampshire and Hertfordshire was a ding dong battle with the lead constantly changing. With two late goals, Hertfordshire edged home by 6 goals to 5. In the 3rd/4th place, after an even first half, Kent powered their way to victory. Sussex were without Rooke in the Final and allowed Surrey to take a 5 goal lead in the first half, came back with three quick goals in the 2nd Half but Surrey then took control to win by 8 goals to 3 3 for a well-victory.
