SUPPORTING INFORMATION

1. Sport England will offer the Coach and Club Funding awarded to ASA South East Region directly to the ASA who will manage the funding centrally.
2. The codes will be set up for each Region and sub divided into each project.
3. In the case of the Beacon Club Programme or a project where the ASA is not the employer, once a Service Level Agreement is completed and a post is in place (and any other conditions are met), the partner will invoice the region (RD) who will authorise the payment and send the invoice to finance.
4. In cases where the ASA is not the employer all costs will be directly attributed to the regional code.
5. The Regions will be responsible for the monitoring and evaluation of the projects in their area, although the ASA will centrally collate the data.
