Individual Start Lists

The individual event start lists for the two sessions are given below. Please check the details carefully and advise me by email of any errors you find. Only mistakes made by me in transcribing information from your entry forms will be corrected. Please check that your year of birth is correctly stated. All errors should be advised by Friday 14th September after which date the programme will be sent to the printers.

There is a separate list of entries by club to assist team managers in selecting relay teams. Team entries must be received by me on or before Wednesday 19th September on the official entry form together with the entry fee of £6 per team. Entries on the day will cost £10 per team to reflect the extra work involved; please try to get your entries in before the closing date. Entries will be acknowledged by email. Please PRINT your email address clearly in BLOCK CAPITALS and be sure to distinguish between hyphens and underscores, letters and numbers, and show clearly any dots in your email address.
