

**ASA South East Region
Youth Championships 2009**

Draft programme

This is a copy of the programme that has been sent for print for the upcoming weekend.

- 1. All times have been converted to long course, using the standard tables published by the ASA. This is to provide swimmers and spectators with a realistic view of the times that swimmers are likely to swim.
Your software may be using different tables.
The submitted short course times were used to accept entries.
The conversion has no impact at all on seeding.**
- 2. Some later corrections are not included.**

ASA SER Youth Championships 2009

Under asa Laws and Technical Rules

DRAFT PROGRAMME
