the asa T-30 Challenge Postal Swim 2008  
*Can you swim for 30 minutes?*

# the asa T-30 Challenge 2008 - under ASA Laws & Technical Rules (formerly the Half Hour Masters Postal Swim)

## **Why?**

The objectives of this event are (1) to encourage adult swimmers, whether ASA members or not, to participate in longer distance events at a time of year when longer training swims are desirable as well as (2) to encourage 'lap' and fitness swimmers to take part in an ASA event, and (3) to determine the individuals and club teams who can swim the greatest distance in 30 minutes.

## **Who?**

This event is open to all swimmers who reside in Great Britain. Individuals may combine to form teams, but may represent only one team in the team competition.

## **What ages?**

Conventional Masters age groups, also including an 18-24 age group. Teams are also conventional, also including a 72-plus group in the team event.

## **What makes a team?**

**ASA, Scottish ASA or Welsh ASA club teams must be made up of four registered members of the same club**

Teams may also consist of ad hoc combinations, for example four swimmers based at the same leisure centre

There are men's, women's, and mixed (i.e. 2 women plus 2 men) teams. Swimmers may compete only once in each category, but may swim in different age groups in different events. In other words a swimmer may be in one single sex team and one mixed team.

## **Where can I swim?**

In any pool that is 25 yards or longer.

## **When can I swim?**

At any time from 1 November 2008 to 31 January 2009.

## **How are ages calculated?**

The age of a swimmer is his or her age at 31 December 2008. Please note that is - 31.12.2008.

## **How do I enter?**

Use the entry form specific for this event (available via the asa website or from the asa National Events Office, 41 Granby Street, Loughborough LE11 3DU). Your performance must be verified by a responsible person: for example a swimming club officer or a member of a sports centre staff. A lap chart forms part of the entry form and will help recorders keep an accurate record of the distance swum.

The closing date for entries to be received by the asa National Events Office is Friday 6 February 2009.

## **Entry fee**

The entry fee for the individual events is £5.00, and the entry fee for teams is £10.00. Cheques etc should be made payable to 'the asa'.

## **Procedure**

Please see paragraph 9 of the Conditions for a suggested basic procedure.

## **Calculating the distance**

1. Metric pools: the metric distance swum in 30 minutes should be rounded down to the nearest completed 5 metres. For example, 1319 metres should be rounded down to 1315 metres.
2. Yards pools: the distance swum in yards in 30 minutes should be converted to metres by multiplying the number of yards swum by 0.9144, and the result rounded down to the nearest 5 metres. For example, 989 yards, multiplied by 0.9144 = 904.3416 metres, which rounds down to the nearest 5 metres = 900 metres.

## **Results and awards**

It is hoped to publish major results in Swimming Times magazine in April 2009. To obtain a complete set of results, please enclose a stamped, addressed A5 envelope with your entry. Full results will be placed on the ASA website.

ASA Medals will be awarded to all swimmers placed first, second, or third in their age category and to all teams placing first, second, or third.

All swimmers will be sent a commemorative certificate.

Please address queries to the asa Competitions Department, National Events Office, 41 Granby Street, Loughborough, LEICS LE11 3DU or e-mail Andy Wilson (ASA Masters Committee administrator) on [andy.wilson@swimming.org](mailto:andy.wilson@swimming.org)
