

ASA SOUTH EAST REGION WATER POLO

BOY'S WATER POLO DEVELOPMENT

TRAINING SCHEDULE & 2002 SQUAD SELECTION

For the attention of all water polo playing clubs in the SE region

We are pleased to announce the next round of regional water polo training sessions that will take place at Splashpoint in Worthing on the following Saturday evenings (19.15-21.15);-

September 5th
September 12th
October 17th
November 14th
December 5th (STC)

A number of you are aware that we are trying to develop a squad that will play in the 2002 (and younger) age group inter region competition that is scheduled for December 12th/13th in Cardiff.

As a result, these dates will act as training and trial sessions for this age group as we try to select a squad that will play at Cardiff.

We also want boys in the 2000 and 2001 age groups to attend these sessions but the 1998/1999 age group will not be involved until the start of 2016. We anticipate that the 1999 (and younger) age group competition will take place fairly early next year and we intend to have an intensive program in place to build up to that event.

We would encourage as many boys as possible, particularly those born 2002 and 2003 and interested in becoming part of the regional squad, attend these sessions. They are hard work but they should definitely help with your development.

The sessions are subsidised by the region but we still have to charge £5.00 for those who attend and we would ask that you arrive at 18.45 for registration prior to the 19.15 start.

Finally, please forward this message to anyone in the region who might be interested in attending these sessions, particularly if they are in the 2002/2003 age group.

Please can you confirm your attendance to the e-mail address below and if you should require any further information on any aspect of the regional boy's water polo program, please feel free to contact me.
