

Synchro Regional Committee

Would you be interested in helping the running of our synchro region.

We have the following roles that require filling and, along with the role, you will be part of the regional synchro committee and must be prepared to attend up to four meetings a year, normally in Reading.

- **Course Organisers:** We have courses for officials, ie Judges and scorers, plus Team Manager courses. You would be responsible for setting up, corresponding and keeping records. A knowledge of the courses would be an advantage, (but you do not need to have attended them yourself) as would competency in use of Excel.
- **Recreational Competition Secretary:** This involves setting up and running the Regional Novice competition in March and the recreational event in September. You would get help from the Competitive Competition Secretary/Synchro Manager, but a knowledge of these events or other competitions would be an advantage but, ideally, not somebody who would already be involved as an official ie judge, scorer etc.

If you are interested in either of these roles please email: dihughes777@btinternet.com
