4 New Year's Resolution Ideas

1. Dolphin Kicks

Dolphin kicks are your secret weapon if you develop them. Make it a priority to work on kicking out as far as you can handle, while still keeping powerful and propulsive kicks. Start incorporating them in practice on warm up, cool down, and even when doing drills

2. Hold your breath off the wall

What good is amazing underwater work if you come up and take a breath on that first stroke? Try to keep your head down for at least one stroke.

3. Work your weak stroke

Try new drills to work on the parts of your stroke that give you trouble, choose to do your weakest stroke on a choice part of the set, and make sure to pay special attention to your weak stroke in an IM set.

4. Eat Right

It is very important to fuel your body with the best nutrients to keep it in tip top shape, it is important to keep your energy levels up to help get you through those tough practices. Make sure to eat plenty of good carbs, protein, and fruits to get the most out of your meals.

Disability Taster & Competition

Horfield Leisure Centre, Bristol, Sunday 12th March 2017

We will again be hosting a disability swimming taster session and 25m races linked into the South Spring Para-Swimming Meet in Bristol, if you know any young swimmers with a disability who would like to have a go, please let them know about this day.

Last year we had 27 people take part in races between the main events of our main meet, a great atmosphere with lots of support from the spectators, all the participating swimmers had a great time and received a certificate for taking part.

More details will be posted on the regional websites in January

PARA-SWIMMING TRAINING CAMPS

The para-swimming camps are open to swimmers who will be competing at the para competition on the same day. There will be a pool session for practicing race skills, gym session and an education session, looking at aspects associated with para swimming.

Training camps will be held leading into the following competitions:

**Horfield Leisure Centre,
Bristol. 12th March 2017**
