

Club Matters Update

August 2017

Club Matters is Sport England's one stop shop for sports clubs. Club Matters provides free, convenient and practical resources to help you develop and run a sustainable club. Click here to [register for Club Matters](#) so you too can benefit from the free resources available.

Here is an update on some of the ways your club can benefit from Club Matters...

Get your club's structure fit for the future

Your club's legal structure is important to get right, and we've got tools to help you consider all the options. From [incorporation](#) to [charitable status](#), if you're evaluating which structure is best for your club, there are lots of things to think about. Find out more about the different legal structures your club can adopt and how to get started using the Club Matters [Club Structures guidance](#), access an [online module](#) or sign-up to attend a Club Structures [workshop](#).

Share your stories in running a sports club

Club Matters is on the lookout for clubs, of all shapes and sizes, to share their insight with us into how they are run. In return, they will feature your club on their [website](#) and social media platforms...so just think about the free publicity! Find out more [here](#).

Sports clubs urged to be wary of online scams and fraud

In recent months there have been reports of community sports clubs and charities increasingly being targeted by online scams and fraudsters. [Managing your club's money](#) in a safe and organised way will help you to avoid making financial mistakes or falling foul to fraudsters. Find out more by clicking [here](#).
