

Club Matters Update

July 2017

Club Matters is Sport England's one stop shop for sports clubs. Club Matters provides free, convenient and practical resources to help you develop and run a sustainable club. Click here to [register for Club Matters](#) so you too can benefit from the free resources available.

Here is an update on some of the ways your club can benefit from Club Matters...

Deliver a meaningful experience to all of your volunteers

Volunteers are the life and soul of community sport, and the latest Club Matters guidance will give you tips and ideas to help you keep volunteers at your club. Understanding your volunteers, connecting with their motivations and recognising their impact will help you to deliver a rewarding, meaningful experience. Take a look at the refreshed Club Matters [support and guidance](#) and give your volunteers a great experience from the moment they first engage with your club.

Keep up-to-date with latest Club Matters news

Stay in the loop with the newest content and sports club updates with the [news section](#) of the Club Matters website. Here you will find stories from other clubs as well as links to support and guidance to help you run a successful and sustainable sports club. Click [here](#) to access.
