19	I'd rather wait until we no longer need a mask due to the heat	4/3/2021 7:54 AM
20	Seems a reasonable ask	4/2/2021 2:31 PM

21	Maybe. It depends on the community prevalence and risk.	4/1/2021 10:02 PM
22	Possibly	4/1/2021 7:58 PM
23	Ideally socially distances but not face mask. I wear a mask all day at work at the hospital. When it is hot it is extremely uncomfortable and I suspect would be difficult to remain focused on poolside for a long period of time.	4/1/2021 5:19 PM
24	I would only officiate when it's safe to do so WITH face mask and social distancing.	4/1/2021 3:55 PM

39	Cant see through glasses with a mask, especially on poolside	3/28/2021 4:19 PM
40	N/A because I don't intend to return to officiating	3/28/2021 12:26 PM
41	this only applies on the rate of infection and safety measures put in place	3/28/2021 11:26 AM
42	No to masks- the pool environment is too hot n humid as it is	3/28/2021 9:37 AM
43	Only if ventilation is present (pools can become very 'stuffy' and lots of ventilation would be needed to facilitate wearing a mask)	3/27/2021 9:18 PM
44	Had 2 covid jabs due to asthma	3/27/2021 8:10 PM
45	I'm happy to attend in with or without, I'll follow whatever guidelines	3/27/2021 8:03 PM
46	However, I do feel we need to be reasonable and realistic here. Poolsides are bad enough as it is and often boiling hot. Having had a vaccine and the fact there is the ability to run galas with social distancing in place (kids in stands etc before races) - I'd prefer if there was a way we didn't need to wear a mask. It's not a very enjoyable way to spend a day in a hot place etc.	3/27/2021 7:12 PM
47	Possibly	3/27/2021 4:00 PM
48	can't think how that would work	3/27/2021 3:43 PM
49	Social distancing yes, face masks no	3/27/2021 3:15 PM
50	I am very asthmatic and struggle to wear a mask for extended periods without becoming claustrophobic - wearing one within a very warm setting such as a pool would cause me issues.	3/27/2021 2:29 PM
51	Unsure due to high temperatures often encountered on pool deck	3/27/2021 2:06 PM
52	I don't think the heat makes this possible	3/27/2021 2:02 PM
53	Yes, but reluctantly as face masks in hot indoor environment far from ideal.	3/27/2021 12:51 PM
54	Happy to social distance but do not wish to be poolside wearing a mask due to pool temperature.	3/27/2021 11:51 AM

55	Probably not a full day though	3/27/2021 10:36 AM
56	Unsure, depends on the event and provisions in place	3/27/2021 8:26 AM
57	Considering the conditions at the time	3/27/2021 7:36 AM
58	I don't consider it safe to be poolside if social distancing is in force	3/26/2021 8:47 PM
59	Ideally No to face masks etc.	3/26/2021 8:29 PM
60	But would rather not - will do so for limited time (wear a face mask all day at work)	3/26/2021 8:22 PM
61	Social distancing yes, masks unsure as it sometimes hard enough wearing them in the normal environment without the added heat and humidity	3/26/2021 6:40 PM
62	Would only be happy to officiate if social distancing and masks are in place with testing protocols in place.	3/26/2021 4:15 PM
63	Because I wear glasses so mask wearing is an issue with steaming up	3/26/2021 4:14 PM
64	I'd be happy with social distancing, but feel the wearing of a mask on poolside will make an already hot & uncomfortable experience worse.	3/26/2021 4:06 PM
65	Only at club level.	3/26/2021 3:14 PM
66	I am not sure at this present time	3/26/2021 12:12 PM
67	although I would find it very difficult to commit to a whole weekend of wearing a mask. It's hot enough poolside as it is!	3/26/2021 12:07 PM
68	Will assess requirement by competition but likely no	3/26/2021 12:00 PM
69	Only if Visors are acceptable alternative to face masks.	3/26/2021 11:31 AM
70	Only social distancing, I couldn't bear to wear a mask in a leisure centre for the whole day	3/26/2021 11:28 AM

8	I personally feel it is going to be strange when competitions do re-start and so making sure there is strong guidance, and ability for officials to understand how competitions will function and operate will be key. Feel this will be important at what ever level you are from Referee to time keeper. Thank you	4/10/2021 12:07 PM

13	If officiating necessitated overnight accommodation, I would expect a single room now. Most SER events are not practical for me to do in a day due to distance involved (100 miles minimum each way)	4/8/2021 3:20 PM
14	Please do not make getting any sort of officials qualification any more complicated than it is. I think a lot of people just want to help out at thier and other clubs meets and I feel this becomes harder and harder due to the complicated paperwork tat is required.	4/8/2021 12:55 PM

40	Still more than happy to help at club events.	4/3/2021 7:54 AM

53	Have received first Covid jab.	4/1/2021 1:48 PM
54	An update on licence renewals would be much appreciated as mine expired during the lockdown.	4/1/2021 12:15 PM

58	Undecided if I am going to renew at the moment. I would very much welcome an extension. Although I would wear a mask I would much rather not and would support an exemption for anyone fully vaccinated.	4/1/2021 7:58 AM
59	Will my renewal date be extended?	4/1/2021 7:56 AM

71	nil	3/29/2021 1:03 PM

74	I will not be relicensing	3/29/2021 10:42 AM
75	Regarding question 9 for ones age and an assessment of Covid vaccination opportunity, I have already had my first Covid vaccination with the second dose scheduled for mid may leading to full efficacy of the vaccine by the beginning of June so assessing vaccination by age may well have some statistical inaccuracy. Hope to see you back poolside soon. Thank you, James.	3/29/2021 9:53 AM

77	I qualified for J1 3/1/20 along with a number of volunteers from our club and despite several emails from my club to Kent ASA we have neither received our licences nor any kind of acknowledgment from emails. 101	I have had my covid jab and second dose will be done in May	3/27/2021 5:04 PM
102	I am looking to step back from officiating due to family illness and increased caring responsibilities	3/27/2021 4:49 PM
103	Would welcome information on how to renew license. My availability of 1 August is based on fact that I'm currently trading to be a teacher and my course ends 31 July.	3/27/2021 4:05 PM
104	I have already had one vaccination for COVID-19. Second one due around end of May	3/27/2021 3:15 PM
105	The commitment to officiating was intense considering my children were never at county standard even and outside of our club I did not find the swimming community welcoming or friendly but very elitist and unfriendly. For these reasons I will not be returning but will stick with my other voluntary commitments to my children's activities.	3/27/2021 3:11 PM
106	My license ran out in early 2020, I tried to get together with our clubs officials organiser, lockdown happened and then our club committee all resigned and nobody has contacted me regarding officiating since. I have also had a knee replacement operation and am due a second operation but would like to eventually get back into officiating later in the year.	3/27/2021 2:46 PM

110	I don't know how long I will be able to keep helping poolside due to mobility issues although	3/27/2021 2:04 PM

	I intend to do so until I am no longer able.	
111	I have completed all training and was due to be assessed in order to sign off J1. The assessment never went ahead due to lockdown 1	3/27/2021 2:03 PM
112	I believe I've submitted my renewal through the club	3/27/2021 2:02 PM
113	I had my assessment for J1 just before lockdown I haven't heard anything further but am aware there are a certain number of sessions that need to be observed over a time period Advice on this would be great - what do I need to do ?	3/27/2021 2:02 PM
114	I have already had 2 vaccines	3/27/2021 1:56 PM
115	Will this information be fed back to individual clubs? We were in the process of doing our own survey which I will pull back as I assume people will not want to fill in a similar survey twice. Thank you for doing this	3/27/2021 1:22 PM
116	I am nearly there with the J2, just need the final sign off	3/27/2021 12:51 PM
117	Already working towards my J2 before lockdown	3/27/2021 12:27 PM
118	See above Q13	3/27/2021 12:27 PM
119	My availability depends on whether my daughter continues to swim, something that is not certain at present. The competitive offer will need to be attractive to youth swimmers I think in order to be able to run. Focus too heavily on age group (which might be tempting) and you won't have enough officials to run.	3/27/2021 12:20 PM
120	I have already had my first Covid-19 vaccine and I'm due my second on 16/04/21. I am also taking LFT tests twice a week.	3/27/2021 11:45 AM
121	I need to recover from a heart operation, but once recovered, I will be available to officiate.	3/27/2021 11:34 AM
122	My license expired in Dec 2020 and my swimmer is planning on going to university in September/October which is why I'm not renewing my license	3/27/2021 10:34 AM
123	I expect to have less involvement that previously	3/27/2021 9:29 AM
124	I plan to lapse my license as my involvement in swimming has finished considerably since son has gone to Uni. To re-license at a later stage what would be involved?	3/27/2021 8:41 AM
125	Not officiated in a very long time, would be willing to assist. Need some whites!!	3/27/2021 8:32 AM
126	I am currently Chair of the club so my availability to officiate will be reduced	3/26/2021 9:14 PM
127	Would like a refresher and also will there be any extension of our licence as we haven't been able to get any poolside experience	3/26/2021 9:13 PM
128	I'm a doctor so am currently prioritising given vaccines but will return to officiating when urgency eased	3/26/2021 8:56 PM
129	I am uncomfortable volunteering at PNSC Club level events, this may however change in the future. I am happy to help at Club level events at Southampton, Locks Heath, Havant & Waterlooville, Winchester and possibly Fareham.	3/26/2021 8:52 PM
130	I have answered for swimming as the survey does not seem to cover artistic swimming. I am willing to officiate nationally for artistic swimming	3/26/2021 8:47 PM
131	Am likely to be doing less officiating than before - but happy to still help out when my child swimming (which is likely now to be less than it was before). A busy year (am a doctor) and looking forward to catching up on all the other things have missed in my free time.	3/26/2021 8:22 PM
132	I have had both my vaccinations because I have been working for the NHS. I need to renew my license.	3/26/2021 7:32 PM
133	I am happy to return to officiating as long as events are kept strictly safe.	3/26/2021 7:02 PM
134	J1 is not yet completed pending practical assesments.	3/26/2021 6:14 PM

	have also completed the contemporary issues and team manager courses.	
139	Can't wait to get everything going again! Some sort of refresher may be useful, maybe BS / SE would look at some sort of video updates to watch?	3/26/2021 4:07 PM
140	I think I am licensed, as I passed all my test, just did not receive my official pack yet as it was in lockdown....so not sure where I am licensed till.	3/26/2021 3:10 PM
141	I would like to do J2 training. I contacted Seaclose a while back re paying for the workbook. I have emailed them a couple of times since to see if this has been paid and been told that it probably has and that they will check. Still not got this confirmed.	3/26/2021 2:54 PM

147	I was due to take my final J1 practical assessment when lockdown occurred so am interested to know whether that qualification route will still be open to me (as it was not possible to qualify by June'20).	3/26/2021 1:38 PM
148	Covid Event Process Training required prior to events to ensure no need for close contact officials meeting prior to event. Concern for flow and education of swimmers around maintaining space around officials at events.	3/26/2021 1:35 PM
149	Both vaccines received	3/26/2021 12:46 PM
150	At some point later this year, I hope to be moving to the South West. Family still live in Surrey though, so not inconceivable that I could still be available sometimes as I'll be visiting them. I can also assist in the South West after moving.	3/26/2021 12:29 PM
151	I would like to see some sort of refresher training available to all officials before competitions start	3/26/2021 12:12 PM
152	I am looking forward to a return to competition as I have missed the fun and camaraderie of competition. However, I do need to put my own personal health and safety ahead of volunteering duties and would not feel comfortable being on the pool deck officiating until I have had both doses of the Covid-19 vaccination, particularly as I have been so cautious and stuck to the rules over the last 12 months. (Note that I haven't been offered the first dose yet.) So I am not saying "no" to officiating, but I have to put myself first!	3/26/2021 12:07 PM
153	Very much looking forward to the return of events. Hope we can have some L4 meets at club level in June/July so we can make use of equipment again and practice procedures before running an open event. Thanks to everyone making this happen.	3/26/2021 10:38 AM
154	I am currently waiting for treatment for back pain. Until that is resolved, I am not able to officiate for a full session.	3/26/2021 10:18 AM
155	My license expired in Jan 21 but I intend to renew soon - I didn't bother whilst there were no competitions!	3/26/2021 10:00 AM
156	I've already had my first vaccination due to underlying medical conditions. Please note that I can't drive for at least 6 months, due to medical reasons, so will be reliant on lifts from others if it's not a Basingstoke event.	3/26/2021 9:49 AM
157	a) From my experience with other sporting activities do not be surprised if you have a 25% drop off in the pre-pandemic official numbers. b) I do upwards of 350 hours of officiating a year (non-pandemic!) and it is clear that some clubs don't provide any or very few officials poolside although they may have a number of swimmers competing at a meet. I suggest that on applications for Meet Licensing clubs are require to state how many sessions their officials officiated during the last 12 months - taking account of the pandemic shutdown say March 2019 - March 2020. Bring in this requirement with immediate effect and send a note out (and cover in the Regional News) to all Club Chairman, Head Coaches and Officials Co-ordinators - should start to concentrate the mind! c) "Encourage" all clubs to appoint an Officials Co-ordinator who is responsible for the recruitment and training of officials - and if any in the Region are new to the post encourage them to go and speak with club(s) who are and remain on top of this issue. iv) Have a Training Day/Seminar for Club Officials Coordinators in the Region to drill down on the recruitment and training of officials, and offer differing approaches on this issue by involving a few clubs who are successful in this area.	3/26/2021 8:53 AM

Nobody is suggesting it is easy so now is the time to get a grip of it, and what better to start ASAP post-pandemic!! d) Ensure it is an Agenda Item for all Regional Coaches and Chairmen Meetings and not left as an AOB late in the day when all are shuffling towards the door to miss the build up of traffic on local roads et al!
