Saturday 25th March 2023 at 1:30pm

K2 Crawley, Pease Pottage Hill, Crawley, West Sussex, RH11 9BQ

50m 8 lane pool with electronic timing

WARMING-UP

There will be a warm-up of approximately 20 minutes from 1:30pm until 1:50pm. Swimmers in the first two heats should use this warm-up period. Heat 1 should start at 1:55pm. The first heat will use all 8 lanes. Heats 2 to 6 will use 7 lanes with Lane 1 available for warming up for swimmers in the later heats. Heat 7 will use 8 lanes.

The warm-up schedule will be as follows.

Heat 3 can warm-up when heat 2 is in the water

Heat 4 can warm-up when heat 3 is in the water

and so on.

Lane 1 when used as a warm-up lane will be supervised by a marshal and swimmers are asked to co-operate by conducting their warm-ups quietly avoiding interference with the races underway. There will be no diving in the warm-up lane. **Lane 1 should not be used for swimming down after racing.** Fins, floats, paddles and other training equipment will not be allowed in this lane.

It is hoped that these arrangements will provide the best facilities to compete in this 1500m event. By submitting an on-line entry, you accept the conditions below.
