INTRODUCTION

This is the ninth Masters relay only competition to be run by Swim England South East (SESE), and the fifth running of the SC format. This event gives club Masters a rare opportunity to set new British records over the less popular distances and as such all the recognised relay age groups and distances are included. It will also provide competitive experience for Masters teams who may be preparing for the national competition, or who just want the experience of swimming in a relay race and can treat it as a fun event. With this in mind, the SESE Masters Group meet promoter would welcome any feedback that would contribute to the success of future events.

SWIM ENGLAND TRANSGENDER AND NON-BINARY COMPETITION POLICY

This meet is being held in line with the current Swim England Transgender and Non-Binary Competition Policy which became effective in September 2023. Further details on the policy and the definitions can be found at <https://www.swimming.org/swimengland/transgender-competition-policy-update/>

Mixed teams must comprise 2 Female and 2 Open/Male swimmers.

OFFICIALS AND HELPERS

We would welcome additional help for say, timekeeping or marshalling, from partners or friends of competitors. Offers to [Rob Moore](#), please, Tel. 07711 109939.

Participating clubs are requested to provide an official to assist at the event. Offers to [Rob Moore](#), please.

EVENT TIMINGS AND WARM UP

As the relay meet follows the Short Course Masters Individual Events Competition meet taking place in the morning & afternoon, the precise timings for the start of the warm up and racing will depend on the final timings for the individual competition. It is expected that the warm up will start between 5:15 and 6:00pm and that racing will start between 6:00 and 6:30pm. The final times will be confirmed prior to the meet. Clubs will be allocated warm-up times once all entries have been received. The warm up will be controlled by marshals. Swimmers should obey the marshals' instructions at all times.

MEET INFORMATION

Information about the meet can found at the [Meet Information Page](#). This will be updated periodically and important competitor information will be available here a few days before the meet. So please do check this page.

[Swim England](#)

[Scottish Swimming](#)

[Swim Wales](#)

Swimmers can only represent one club in this competition. Swimmers may not compete in more than one team in each event.

3 AGE GROUPS

The age groups are as follows:

72yrs+, 100 to 119yrs, 120 to 159yrs, 160 to 199yrs, 200 to 239yrs, 240 to 279yrs, 280 to 319yrs, 320 to 359yrs, and above as necessary.

72yrs+ teams must have at least one swimmer that is under 25 years of age on 31 December 2026, and all swimmers must be 18 years old or over on 26th September 2026.

All other teams must comprise only swimmers who are 25 or over on 31 December 2026, and the combined ages on 31st December 2026 must fall within the age band that the team has entered.

4 SEEDING

Heats will be arranged as far as is possible so that teams in the same age group swim in the same heat and in adjacent lanes. Entry times are not required.

5 HEAT DECLARED WINNERS

Results will be decided on heat times, there will be no finals.

6 AWARDS

No medals will be awarded.

There will be two club awards.

The top club trophy will be awarded to the club achieving most placing points. Placing points will be awarded for 1st (3 pts), 2nd (2 pts) & 3rd (1 pt) in each event and age group. This is to encourage clubs to enter as many teams as they can.

The club best performance trophy will be awarded to the club achieving the most performance points from that club's top three swims. Performance points measure a performance against the current British record for that event and age group (for more details see the document on the [Meet Information Page](#)). This is to encourage smaller clubs who may not be able to compete for the top club trophy but can nevertheless form a small number of high performing teams.

A team member should then hand the TDF to the lane timekeeper immediately before the start of the race.
Teams can change the age group of their teams on the day. Such changes must be notified at the computer desk on or before 5.15 pm on [26th September 2026](#). The changes will be validated and shown as such on the TDF. Team age group changes will not be accepted on non-validated TDFs.

By submitting an entry, entrants are accepting that their photograph and video images may be taken and used to promote the sport by Swim England South East, and/or made available for download and purchase. Races may be live streamed. All photography will conform to the "Swim England Photography and Photographing Swimmers Policy".

16 USE OF MOBILE PHONES/DEVICES
Under Swim England's safeguarding policy, the use of mobile phones and devices capable of taking photos is strictly prohibited under any circumstances in the changing rooms (including simply making a call). To quote, **Swim England has a zero tolerance policy towards the use of mobile phones and other digital devices in the changing rooms during Swim England regulated activities.**

The safeguarding policy is principally aimed at protecting under-18s. Although under-18s are not permitted to enter this meet, we do not have exclusive access to the changing rooms, and there are frequently under-18s in the changing rooms who are taking part in aquatic activities in other parts of the K2 pool complex. As such, we require all swimmers entering the meet and all other persons attending to comply with Swim England policy. **IN PRACTICE, PHONES AND OTHER DEVICES SHOULD NEVER BE VISIBLE IN THE CHANGING ROOMS. THEY SHOULD BE STOWED IN POCKETS OR BAGS.**

17 OTHER MATTERS

The Promoter reserves the right to swim combined heats of

- any or all of events 1, 2 & 3
- events 4 & 5
- events 7 & 8

(depending on the level of entries). This is to make best use of the pool time available. Whilst swimmers are not prohibited from entering event 3 in addition to event 1 or 2, they do so at their own risk and the Promoter will not change the way heats are combined to facilitate this.
